

INTERNET RESOURCES

Orchestra Web-sites with Kids Pages

Dallas Symphony Orchestra
www.dsokids.com

New York Philharmonic – Kidzone!
www.nyphilkids.org

San Francisco Symphony
www.sfskids.com

Other Kid's Pages
www.fromthetop.org

www.classicsforkids.com

Play musical games; hear the instruments of the orchestra. Read about composers and listen to classical music.

Artsedge
www.artsedge.kennedy-center.org

The mission of ARTSEdge is to help artists, teachers and students gain access to and/or share information, resources and ideas that support the arts as core subject areas in the K-2 curriculum.

Creative Kids Foundation
www.kusc.org/kids

Get free, entertaining and standards based classical music education on Creative Kids Central. Kids from 7 to 12 can learn about symphonic music and chamber music through engaging stories full of games and music. Parents can enjoy a listening activity with their children and kids can tour a recording studio and radio station. For teachers, there is a downloadable lesson plan with lots of other activities in art, geography and architecture.

Music Educators National Conference
www.menc.org

The professional resource site for music educators. A wealth of information including lesson plans, and local and national conferences.
