

Dear Community Member,

We want to ask for your support for the Wichita Symphony Youth Orchestras, a program that provides high-quality music education for over 250 Wichita area students. There are several ways you can participate in the growth of our program:

- ❖ Donate goods to our silent auction
- ❖ Hire a Youth Orchestras chamber ensemble to perform at your company's holiday party
- ❖ Make a donation to the Youth Orchestras

Silent Auction Contributions

Our silent auction will be held at the Wichita Symphony's concerts on January 26 and 27, 2018. Any contribution of goods and gift cards will be bundled into themed baskets for the silent auction. 100% of the proceeds from the silent auction will benefit the Youth Orchestras program. Contributors to the Silent Auction will be listed as In-Kind Contributors in the Wichita Symphony program books beginning in January, 2018. Contributions valued above \$100 will also receive two complimentary tickets to the Wichita Symphony on January 26 or 27. To make a donation to the silent auction, please complete the enclosed Contribution Form.

Hire a Quartet

Membership to the Youth Orchestras is by audition only, and our program represents the finest young musicians from the Wichita area. To raise funds for their tour to Colorado Springs, string quartets comprised of members of the Youth Symphony, our premier ensemble, will be available for hire for your company's holiday party at a rate of \$50/hour per student. Please contact Brenda Lawton at brendalawton@att.net to arrange a student quartet performance for your holiday party.

Donate

If you would like to simply make a donation to the Wichita Symphony Youth Orchestras, please visit wso.org/education/youth-orchestras and click "Donate to Youth Orchestras." All contributors will be listed in the WSYO Spring Concert Program Book.

Thank you for your support of the Wichita Symphony Youth Orchestras and our educational mission. It is community partners such as you who will help our program to grow and ensure a bright future for our students.
